

Sheboygan River Basin Partnership

Adopt-A-Stream Program

The Sheboygan River Basin Partnership developed the Adopt-A-Stream Program to encourage connections between people and their local streams and rivers. The program offers a variety of projects for people of different interests, ages and skill levels. To participate in the program, individuals or groups need to do at least one activity a year from the Adopt-A-Stream Program. Monetary sponsorships of existing programs are also welcome. A \$30 yearly enrollment fee is collected to cover costs of program administration, materials and newsletters.
